My Name is Barbara Best, I live at 273 St Pauls Place. 16 yrs old.

On the evening of Jan 31st I was in a car with Mervin Plakowicz and my girl friend Linda Barron. Vancouver B.C. We drove up the alley where this murder took place. The time was between 10:30 and 11:00 P.M. We swung into the alley from 21st St. and there was a man walking towards us from the other end of alley. He was just about near the middle of it. He was wearing a dark jacket or sweater. He was carrying something. He walked or moved into a yard and he tucked object under other arm. We looked at him but he stayed at us looked rather suspicious.

He was about 6ft tall, big or broad shoulders. He was good looking. He was starting to grey at the sides. He appeared to be in his late thirties or early forties. Dark baggie pants. Dark over shoes. Long with buckle on front. Short hair. Jacket, not very heavy. No hat. Think could identify or draw a picture.

Will give to Barrett.
