

TO WHOM IT MAY CONCERN:

In the presence of my brother, Dennis Cadrain, I, Albert Cadrain, hereby authorize personnel at University Hospital in Saskatoon, Saskatchewan, to release to David Asper, attorney in Winnipeg, Manitoba, or to a representative of Mr. Asper's office, medical records relating to my in-patient psychiatric treatment at the hospital.

I do not recall the exact year that I was hospitalized but believe it was in 1971 or 1972.

I have been informed that Mr. Asper is representing convicted murderer David Milgaard, whom I testified against in 1970, and that Mr. Asper could use my medical records in his effort to persuade the Justice Department to re-open the Milgaard case. I have been assured that the records relating to my hospitalization will be treated confidentially by Mr. Asper and that details of my evaluation and treatment will not be disclosed by him to anyone except officials who are considering the petition in David Milgaard's case.
