

Dear Albert,

I hear that the investigator met with you awhile ago to have a talk with you. It sounds like we all became victims of what happened and that we are all still "hurting" today.

I want you to know that the past 20 years have been real ~~hell~~ hell for me. I didn't kill that nurse and hopefully the truth will come out. Everyone keeps asking me if I'm mad at the people who testified against me and I can tell you that nothing is farther from the truth. I'm not mad at you or anyone else. With all the stuff going on with the police I imagine a lot of people said a lot of things.

All I want is to get out of this jail and get on with my life. Maybe we could be friends again man but I hear you're in B.C. and of course I'm out here. If you can do anything to help that would be all right and if not that's okay too man.

David Milgaard
