NAME: Dennis ELLIOTT

OCCURRENCE NO: 641

ADDRESS: 1308 Temperance
Phone 242-5093

PLACE: Saskatoon

DATE: Feb 6 1969

AM

TIME: 8:40 PM

I first met Gail Millar about a month ago. This was on a night that there was a blizzard. This was a Saturday night because I didn't have to work the next day.

Gail Millar was brought to this party by Dwayne Longdo. On this occasion Dwayne Longdo had too much to drink and he gave Gail Millar heck. He was not really mad by he swears a lot when he is drinking. I was not there at the time this happened. I heard about it from Dwayne himself. He said nothing of what it was about. I believe he phoned Gail Millar and apologised for his actions.

The people at this party were Bryon Odegard, Linda from upstairs 1308 Temperance also Pat from 1308 Temperance. I am not sure who all was there as I had been out and came home about 1 a.m.

When I took Gail Millar home on January 30, 1969. I would arrive around 1:30 pm. She had asked to go home. When I was parked in my car in front of 130 Avenue "O" So. There was about a 1963 or 1964 Pontiac Parissenne across the street heading south. There was one male occupant in this car. The car was Reddish brown on the bottom and a light color top. The light color top was not snow or frost. The left rear was quite badly damaged. The damage would be on the whole quarter panel.

The man in it I would say was about 5'10" tall - 160 pound. Dark hair combed back in a duck tail. This person had kept look towards us while parked and looked away when I looked towards him. I never said anything to Gail about this car & she said nothing about it. I have only seen Les Spence at the funeral, I couldn't say if it was him in this car or not. I did not see anyone at the Funeral that I recognized as the person in this car. I don't think I would know this person if I saw him again.

I have never had intercourse with Gail Millar at any time. I do not know of anyone who ever did have intercourse with her. I do not think Gail Millar was the type of a girl a man could have intercourse with unless possibly they were engaged to her.

I spoke with a person about 21 years old this morning in Otto's Inn, Sutherland Hotel, This person's last name is Elliott. He works night shift at the COOP Feed Mill. He said his cousin used to go with Gail Millar. He didn't say his cousin's name.

On Friday January 31 about 6:00 pm I learned of Gail Millar's death. I had a date with her for Friday Night. I was to pick her up at 8:00 pm. Sig Holle told me about it when I came home from work I had been working at 2211 York Avenue, remodelling a basement. They asked me to drive Linda Markwart home. Forrest Studer and Linda Markwart went with me to 130 Ave. "O". So. I saw the police at 130 Avenue "O" So when I arrived.

From Betty Hundt's room at 130 Avenue "O" So. I phoned my mother at Indian Head, Sask. collect I asked her if she had heard of the stabbing up here. I told her I was involved in it. She asked if I wanted my older brother to come up. I said don't bother. I'll phone you back after everything is over.

After this I phoned my girlfriend Evelyn Olfert 807 Avenue "I" No.

On Saturday Feb 1, I spoke to Don Lane, superintendent at MacCosham's for time off because of this incident. I asked for a week off and it was granted. I gave my car a 1965 Plymouth, Dark red color to Evelyn Olfert and took the Regina Bus which leaves at 140 p.m.

I phoned Saskatoon Police on Saturday nite when I arrived home. I recalled seeing the Pontiac car on Avenue "O" while travelling on the bus and I had not recalled this earlier when seen by Police.

I returned to Saskatoon on Sunday night as police had requested that I return for the beginning of the week. I returned to work at MacCosham's on Monday morning.

I did not know any of Gail Millar's friends except Linda Marwart & Betty Hundt.

After taking Gail Millar home I returned to 1308 Temperance. I arrived back about 2:30 am. I had another drink or two before going to bed.

I went to bed about 4:15 am or 4:30 am at this time I was listening in on a phone call that had been made by Bryon Odegard to a Linda who lives on the 800 block Temperance. I do not know her last name, but it is a corner house and she has a room in the basement. I got up about 11:30 am.

At this time Sig Holle and Bryon Odegard also present. I saw Forrest & Linda sleeping. We tried disturbing them by phone and making noise.

I never left 1308 Temperance after taking Gail home and until I got up about 11:30 ~~pm~~ am.
