On April 4 1969 I was walking along Avenue "O". I was just walking in the 300 block Avenue "O" so.

I was kicking the snow and a wallet flew out. I picked the wallet up - it was open when it flew up.

Norman Ramanda came along and I showed him the wallet.

We then went to Ramanda's house where Mrs. Ramanda phoned the Police.

Mrs. Ramanda thought this was the wallet that belonged to the girl that was killed.
