It may be noted that HOWJET mentioned that it was common practice for people to walk down the back alley either to go to school etc --

This could attribute to the fact that Mylla's body was located in the back alley. It could be possible that Mylla may have been walking down the lane when she was attacked.

Interviewed Richard Noonjet at 3150 - 373 Pendycross Rd. (382-5546) Saskatoon and he could recall finding the plastic knife handle. He remembered turning the knife handle to the SCP and testifying at the trial of Milgaard.

He was treated properly by the SCP. Nothing further was learned from our interview that could shed new light on our investigation.

Attempts made to contact Richard HOUNJET met with negative results. Telephone number still in service however no one was at home when I called on several occasions during day/night.

To be contacted next time we're in Sidney.
