WITNESS STATEMENT FORM

Name Richard Hounjet (7415) Occurrence No. 641/69

Address 227 Ave. N - So Place 227 Ave. N - So

DOB - Sept. 2/61

Date March 2/69

Time 4<sup>30</sup> PM

States -

At about 4 o'clock this afternoon I found the handle of a knife which had the blade broken off.

This was about 3 or 4 inches under the surface of the snow in our back yard.

This handle was plastic material, light red color and about four inches in length. There was about 1/8 inch of the blade sticking out of this handle.

I placed an X on the side of this handle with a needle.

Ricky Hounjet
