## EVIDENCE RE:

- Jan. 31/69 approx. 11:45 a.m. a 1958 Pontiac or Chev. auto was brought to the service station.
- Oil line was broken on the auto.
- Had to wait till about 1:00 p.m. for parts.
- Service charge was approx. \$20.00.
- Occupants with the auto were 3 male and 1 female.
- Having difficulty with two of the males who kept going to the car while it was on the hoist, wanting to clean it out. Put them out of the service shop.
- One of these males kept asking him to hurry, stating he had to go - was going to the coast.
- Others were in the office playing a musical instrument. (believe it was a banjo)
- The vehicle being repaired and group left service station about 1:30 - 2:00 p.m.
- One youth had to leave to get money to pay the bill (this was probably Cedraim)
- Can identify Hilgaard as one of the males wanting to clean the car out while on the hoist.

- NOTE - he is employed at Hillcrest Texaco Service, Ave. P - 22nd.  
- See statement #97
