Taken at the DAVIS residence Saskatoon District, Sask.

This is the statement of George Albert DAVIS B: 25 January 1940 of R.R. 3, Saskatoon, Sask. - Phone: 668-4217

On the 31st of January, 1969, I was working at Hillcrest Texaco in Saskatoon, Sask. I recall being interviewed by the police concerning the murder of Gail MILLER and the group that came into the Texaco that particular day. The police didn't tell us anything that day at all. But when the Saskatoon City Police officer came to see me he asked me all kinds of questions. I told them all that I knew and what I recalled to the best of my knowledge. I gave them a statement and signed each page. I told the truth to the police and to the court. I was treated properly by the police and gave the statement voluntarily and just told them what I knew and what I saw.

I have read over the statement I gave City Police back in 1969 and it's accurate as best I can remember. I don't have anything to add, nor do I have anything to change in the statement. I haven't been contacted by anyone else about this since the trial.
