I am employed at Mid. South Farm Equipment 717- 43rd St. E. I started Sept 11th 1968. I have lived at 130- Ave C S since September 68.

I have known Gail Miller for about the same length of time. We have been fairly close to each other.

On January 30th 1969 about 5³⁰ pm Gail asked me if I wanted to go to a party. A fellow by the name of Dennis who had been here Sunday was having a birthday party. Duwayne who was also here would be there also - and wanted to know if I wanted to go. Around 8³⁰ pm to 9¹⁵ pm two fellows came to pick us up their names were Forest & Brian. We went to a house where 3 university boys live together we had a beer there and one of these fellows came with us. We then went to where the birthday party was to be in the university area.

There was about 6 fellows and 3 girls. Michele not

Gail told me Duwayne had held her out for waiting around for Les Spence as he never took her out but just dropped around and expected her to be home; that she should go out more often.

With Les Spence Gail seemed to go together then break up it was on again off again between the two of them. Les was very jealous of Gail. During arguments Gail mentioned that Les had slapped her a number of times and some were quite hard.

If Gail was wearing her uniform this morning she would have had to come home to get it, as she didn't have it with her last night. Gail told me she leaves every morning at 6⁴⁵ to catch the bus and goes out the front door I believe she walks south on Ave O. to 20th st and the bus stop.

She was employed at City Hospital as a Certified Nurses Assistant. She just
