Request assistance by interviewing Michael DEMYEN (nee JOHN) on the following issues.

Attached are a number of pictures we would like to have shown to DEMYEN. In a statement obtained from MS. DEMYEN in May of this year, she makes reference to a brick building and a church. More specifically we would like to focus on the aspect of the "brick building" as this building was never mentioned before.

The first three pages of the attached photo book relate to her description of the "brick building". It is requested the photos be shown to MS DEMYEN in the order they've been placed in the book 1-3

Attached is also a copy of the statement where she refers to this brick building.

Also attached is also a portion of an interview with Michael's parents Mary Eva and Michael

DEMEYER

DATE	TIME HEURE	ACTION TAKEN - MESURES PRISES
93-12-15		<p>Called Mr. &amp; Mrs JOHN again. Claimed they talked to Dallas as I he told him the same thing he told the investigators. At one point Mr. JOHN questioned whether or not the writer was actually the police. Both parents stated Michael did not wish to discuss this matter anymore. Mrs. JOHN advised the writer no one else has spoken to or attempted to speak to Michael since her last contact with Cpl. TEMPLETON and wife.</p>
	1325	<p>Sgt. TIDSBURY advised he caught Michael just leaving her residence and spoke with her. Subject was extremely upset at the fact we had tried to contact her by calling her parents. Sgt. TIDSBURY reminded her that she had agreed in October to speak with the writer. Subject acknowledged this stating something to the effect "they caught me on a weak or bad day." In spite of this</p>
